# Time for Bedlam

Right from the ashes of life I learned to behave  
What to believe, what not to say, from cradle to grave  
Ah..... like a good little slave

Sucking my milk from the venomous tit of the state  
This clearly designed to suppress every thought of escape  
Ah..... I surrender to fate

# Amused to Death

And when they found our shadows  
Grouped around the TV sets  
They ran down every lead  
They repeated every test  
They checked out all the data on their lists  
And then the alien anthropologists  
Admitted they were still perplexed  
But on eliminating every other reason  
For our sad demise  
They logged the only explanation left  
This species has amused itself to death  
No tears to cry no feelings left  
This species has amused itself to death
